### **Event Report**

<b>Title: Disneyland Day</b>	<b>Date: 29.08.25</b>
<b>Venue: AV Room</b>	<b>Class: Nursery</b>

On August 29, 2025, Delhi Public School Gandhinagar transformed into a land of wonder and imagination as the Nursery students celebrated Disneyland Day with great excitement. The school campus turned into a magical world filled with fun, fantasy, and beloved characters from the Disney universe.

The little ones came dressed as their favourite characters, such as Mickey Mouse, Minnie Mouse, Donald Duck, Red Riding Hood, Dora, Superman, Spiderman, Batman, and many more. Their vibrant costumes and cheerful expressions brought a lively and joyful spirit to the entire school. The celebration began with an engaging audio-visual presentation in the AV Room, where children watched videos on Disneyland and popular cartoon characters, sparking their curiosity and wonder. Later, students enjoyed a Disney Character Walk in the school garden, proudly displaying their costumes and interacting with their peers in a playful and imaginative environment.

Themed activities and games related to Disney characters added to the fun, allowing children to express their creativity and enjoy interactive learning experiences. From character-based storytelling and music to craft activities and pretend play, every moment was filled with laughter and excitement. Disneyland Day was truly a memorable event, offering our young learners a delightful escape into a world of imagination while fostering social interaction, creativity, and joyful learning.
