Event Report

Title: Children's Day Celebration	Date: November 14, 2022
Venue: Auditorium & Respective Classrooms	Class: Pre - Primary

Childhood is a blessing and the most fun-filled days of life. To mark this occasion Pre Primary students of Delhi Public School – Gandhinagar celebrated Children's Day with fun and frolic on November 14, 2022. Teachers took this unique opportunity to arrange a special assembly and enacted a story. Children were surprised to see their teachers dressed up as animals. The joy doubled up when the teachers dressed up as animals danced with them on their favourite numbers. They were taken out of their classrooms to the lush green lawn in our very own school campus. They played different games to their heart's content and utilized this liberty. They were surprised to receive a souvenir for the celebration and hence the celebration came to a pleasant conclusion.
