

DELHI PUBLIC SCHOOL GANDHINAGAR

Academic Session 2022-23

Event Report

Title: Emoji Day	Date:14.11.22
Venue: A.V. Room	Class: Nursery

Delhi Public School, Gandhinagar celebrated “Emoji Day” on November 14, 2022 for the students of class Nursery.

Emoji is a great way for people to communicate across language barriers and help us to express our sentiments and emotions. Our little munchkins enjoyed the day completely.

They came with different emoji masks and explained about the expression. Different emoji-based games were played. Children’s happiness and enthusiasm were at their peak. The day brought smiles to every child’s face, and they learned about different emotions. It was an amazing experience for our young ones.
