<b>Venue: A.V.Room</b>	<b>Class: UKG</b>

### **"Close Your Eyes & Let the Magic Begin!"**

The UKG section of the Pre-primary Wing at Delhi Public School Gandhinagar, celebrated a very special day titled "Myself" on May 8, 2025. The theme for the day was "My Favourite Dream," and all the little dreamers arrived in their cosy pyjamas, ready for a magical experience. The AV Room was beautifully decorated with balloons, moons, and stars, creating a dreamy atmosphere. The day began with lively fun, music, and dance. Each child got a chance to share their favourite or most memorable dream. Their excitement and joy were visible as they spoke about flying in the sky, travelling to the moon, or visiting a land full of chocolates!

The celebration continued with exciting pillow games and a cheerful pyjama parade. It was a day filled with imagination, laughter, and unforgettable moments with friends — truly a dream come true! The Dream Day Celebration ended on a joyful note as students received flippers to remember this special day.
