Academic Session 2024-25
Event Report

Title: Workshop on Physical Development in Foundational Years	Date: 4.10.24
Venue: Audio Visual Room	Class: Pre-Primary Teachers

Ms. Aparna Mishra conducted a workshop on “Physical Development in the Foundation Stage” on October 7, 2024, in the school campus for the teachers of Pre-Primary. The objective was to enhance teachers' understanding and skills in promoting physical development in children aged 3-8 years, aligning with the National Education Policy (NEP) 2020.

This workshop explored various strategies to provide teachers with ideas on how to create an engaging and supportive classroom environment for young children's holistic growth. During the workshop, all attendees actively participated in activities and enjoyed the session. It was an informative and engaging workshop for the teachers to learn about the importance of physical development in the foundational stage.

The workshop empowered teachers to foster physical development in the foundational stage, aligning with NEP 2020. Participants gained practical knowledge and confidence to create inclusive and engaging environments.
