Diwali, the ‘festival of lights’, was celebrated at Delhi Public School Gandhinagar by pre- primary students on October 25, 2024. The day was marked by a special assembly in the school auditorium highlighting the message of ‘Green Diwali, Clean Diwali’.

Decorated with flowers, lights, torans, lanterns, and vibrant hues, the auditorium had an ambiance of gaiety. The students adorned their Diwali ethnic attire, which reflects their enthusiasm for celebrating the festival in a colourful look. The students showcased the spirit of Diwali through a skit and scintillating dance performances, which added a lot of exuberance and brought great joy to the audience. The assembly concluded with the principal emphasizing the message of a green, clean, and peaceful Diwali.

Students did various group activities in their classrooms. Diwali is a moment to reflect on the significance of light, knowledge, and goodness in our lives, spreading love and positivity. Students decorated their classrooms with radiant rangolis and wax diyas. Students make colourful greeting cards for their parents to wish them on this festival. Souvenirs were given to the children as a token of love.
