Event Report

Title: Halloween Day Celebration	Date: 15.10.24
Venue: A.V. Room	Class: UKG Classes

“There is Magic in the Night, When the Pumpkins Glow by Moonlight”

On October 15, 2024, the students of UKG celebrated Halloween Day with fun activities and festive excitement. The day began with a costume parade, where all the children dressed up in their favourite Halloween costumes. From friendly witches and ghosts to cute animals and pumpkins, the children proudly showcased their costumes. Halloween-themed decorations, haunting music, and dim lights created a ghostly atmosphere all around. The children were excited to go trick-or-treating. They had great fun scaring their friends with their spooky and eerie looks. A fun-filled music session had the children singing Halloween songs and dancing to the tunes. Students were also taught about the tradition, which marks the victory of good over evil spirits. Halloween was a fantastic opportunity for the children to explore their imaginations, learn new skills, and celebrate in a safe and enjoyable environment. The day concluded with distributing flyers about the celebration of Halloween.
