

DELHI PUBLIC SCHOOL, GANDHINAGAR
Academic session 2022-23
Activity Report

Title: The Brain Gym-Parts of the Computer Activity	Date: 17/11/2022
Venue: Hall of Fame	Class: I (A to H)

“TECHNOLOGY IS BEST WHEN IT BRINGS PEOPLE TOGETHER.”

About the Event:

The computer is one of the most wonderful inventions of modern science. It is an amazing gift to all of us with the new technology coming up every day. Computers have become like windows through which we can watch the world that in virtual without boundaries. To know more about digital world technology Delhi Public School, Gandhinagar organized “The Brain Gym- Parts of the Computer Activity” for the students of Class I (A-H) on 17th November, 2022.

Objectives of the Event:

- To allow them to explore their creative skills.
- To enhance their knowledge in the digital world.
- To make them aware about the different parts of the computer.

The Event and Participation:

Children have explained each of the computer parts by showing their 3D models and shared their experience. They were very enthusiastic to present their creative models. This activity was played a vital role among them by enhancing their creative and critical-thinking skills. Through their model they explained a machine performs a variety of tasks. Computers are known as mechanical brains, which were explained by our little ones in a very structured way. Their confidence level and depth knowledge impressed and mesmerised everyone. Through exploring computer experiences, these children build memory skills, learned how to seek out information from multiple sources around the world.

Some glimpses about the event as follows:
