“Nand ghair aanand bhayo, jai kaniyaa lal ki, haathi ghoda paalki jai kaniyaa lalki”.

The birthday of Lord Krishna is celebrated with all fervor and heightened spirits all over India. Pre Primary section of Delhi Public School, Gandhinagar celebrated Janmashtami on September 4, 2023 with great zeal and zest in the presence of our respected Principal, Vice-principal, Headmaster and academic coordinator. The students came traditionally dressed as Radha and Krishna with the belief that they would be blessed with the goodness and purity of Krishna. An impressive colorful program was organized by the children of UKG-E & LKG-A, where students presented songs, shlokas, dance performances, and a short skit on Krishna Janam. Students were also explained about the ritual of DahiHandi as the festival of Janmashtami is incomplete without it. Children had some fun-filled activities like making MorMukut&Bansuri. The inspirational words of the Principal, Ms. Anju Singh motivated everyone present there. The celebration ended with the blessings of Lord Krishna and kids dancing to the beats of Janmashtami songs.
