Fun in the Magical Pyjamas at DPS Gandhinagar!

As the Nursery students at Delhi Public School, Gandhinagar celebrated a fun-filled **Pyjama Party**, the school transformed into a magical wonderland. It was a perfect blend of cheerful moods, colourful nightwear, and endless delight!

The festivities, held on **May 6, 2025**, gave the little ones a day filled with laughter, friendship, and unforgettable moments. Bursting with energy, the children arrived wearing their cutest and most fashionable pyjamas, proudly carrying their favourite plush toys. The audio-visual room was beautifully transformed into a cosy, dreamy bedroom, complete with soft bed linens, comfy mattresses, shimmering moon and star decorations, vibrant balloons, and soothing music, creating the perfect setting for a magical day. The day was packed with fun activities: dancing to peppy tunes, playing with pieces of papers and kicking the balloons games. Children added to the charm by playing with balloons, pretending to nap, and cuddling their stuffed toys.

Beyond the fun and laughter, the Pyjama Party helped nurture social bonding, encouraged independence, and supported a gentle transition for children towards sleeping independently without parental presence.

The enthusiasm, innocence, and creativity of the children lit up the entire celebration, making it a heart-warming event filled with priceless memories to cherish forever!
