About the Event

Hindi Poetry Recitation and rhymes are very important for the development of children and grown-ups both as it enhances the dictionary skills of kids and helps in their cognitive development. Children also love poems and rhymes with activities. Keeping this in mind, Delhi Public School Gandhinagar organized ‘Hasya-Kavita Competition’ for the students of grade I on 10th August, 2023.

Objectives of the Event

- To help child’s language development, cognitive development & emotional development.
- To improve vocabulary and speaking skills with voice modulation.
- To build self-expression and self-confidence.

The Event and Participation

Children enjoyed the beauty of expression, thought, feeling, rhyme, rhythm and music of words. The competition provided the children an opportunity to exhibit their talent and confidence on stage in a fun-filled manner with their humorous poems on topics like corona time, Kalyug Ke Dohe, Exam Fever, Technology and many more. Students were judged on parameters like confidence, voice modulation, props used and overall presentation. The magic of their words and innocent gestures left everybody spellbound. The aim of the competition was to boost the confidence of the tiny tots and improve their public speaking skills. It was heartwarming to see the amazing performances of our little ones.
