Recitation is one of the important and effective medium of learning a language. This activity helps in building confidence among students as they learn to speak clearly and accurately. To enhance these skills, an English Recitation Event was organised at Delhi Public School Gandhinagar on November 15, 2022 for UKG students.

The event aimed to develop the English-speaking skills, self-expression and confidence of the students and to enhance and enrich their English vocabulary. Each performance was delivered enthusiastically and confidently. The young poets enthralled the audience with their articulation and memory skills while reciting poems.
