<b>Title: Dussehra Celebration</b>	<b>Date: 5.10.24</b>
<b>Venue: Auditorium</b>	<b>Class: Pre-Primary Classes</b>

The festival of Dussehra, a grand celebration of the triumph of good over evil, was beautifully commemorated on October 5, 2024, at Delhi Public School Gandhinagar. The Pre-primary wing buzzed with excitement as the students of UKG E took the stage to honour this auspicious occasion with a spectacular assembly. The Dussehra assembly began with our young learners' serene chant of shlokas, setting a spiritual tone as our respected Principal Ma'am lit the ceremonial diya. This sacred ritual marked the commencement of our special assembly, where the essence of Dussehra was eloquently conveyed. Our students showcased the significance of Dussehra and how we can incorporate the virtues of Lord Rama into our daily lives. Through an engaging and insightful presentation, they highlighted the values of kindness, obedience, and righteousness, inspired by Lord Rama's exemplary character. The message was brought to life by a musical act titled "Vijayadashami Banayenge," portraying the virtues of Lord Rama in an enchanting manner. The celebration continued with an informative segment on Navratri, where our little stars shared how this vibrant festival is celebrated across India. From the spirited Durga Puja in Bengal to the energetic Garba in Gujarat, the diversity and unity of Indian culture were beautifully depicted. The highlight was a lively Garba performance by the children, adding rhythm and colour to the festivities. The assembly was a splendid blend of devotion, culture, and education, reflecting the grandeur of Dussehra and the richness of Indian traditions. The students' enthusiastic participation and the heartfelt presentation made this event memorable. Each child received a special souvenir, a Maa Durga card, and participated in a colourful kalash painting portfolio activity. It was a celebration filled with learning, joy, and vibrant traditions.
