

DELHI PUBLIC SCHOOL GANDHINAGAR
Academic Session 2024-25
Event Report

Title: Workshop on Coding in Foundational Years	Date: 22.10.24
Venue: Audio Visual Room Pre-Primary wing	Class: Pre-Primary Teachers

An Internal workshop was organized for the teachers of Pre-Primary on the topic of “Coding in Foundational Years” on October 22, 2024, in Delhi Public School Gandhinagar by Ms. Cinni Rathod, a Pre-Primary Educator. The workshop was organized to promote awareness of coding at an early age. The workshop started with an introduction to coding and the benefits of coding for preschoolers. The resource person also explained different techniques and languages that should be used in the classroom for coding. The workshop was a major successful event that imparted knowledge on coding in foundational years.
