

**DELHI PUBLIC SCHOOL GANDHINAGAR**  
**Academic Session 2022-23**  
**Event Report**

<b>Title: Cyber Wizard</b>	<b>Date: 19-11-2022</b>
<b>Venue: Computer Lab, Delhi Public School Gandhinagar</b>	<b>Class: VII</b>

Visual storytelling is the art of communicating messages, emotions, narratives, and information in a way that it leaves a lasting impression on the viewers. It makes stories imaginative, modern, and relevant for readers as they could possibly be. To complement this thought, Computer Department organized a CCA for the students of Class VII, **Visual story Using MS Power Point**, on November 19, 2022.

Selected students from all the sections of Class VII participated in the competition enthusiastically, and their presentation and creativity skills were displayed during the competition. Students had to create a Visual story Using MS Power Point on the day of competition. Students had shown their creativity at their level best.

Ms. Spina, Mr. Darshan were the esteemed judges of the competition, and the judgement was based on creativity, presentation, and neatness. The top five students were awarded certificates for their outstanding performance.

Result of event is as follows:
